

Wednesday's Women hear about history of Jewish art

More than 60 women attended the Wednesday's Women program at the home of artist Joyce Straus on Wednesday, Jan. 12.

Straus displayed and explained Jewish art from the jewelry from Israel she wore to a multitude of her own creations. Refreshments were served in a manner that made one wonder if it was food or a work of art.

The next Wednesday's Women forum is "Women in the Media."

Author Barbara Cloud will discuss how women are really treated in this field.

Wednesday's Women is a program sponsored by The Women's Division of the Jewish Federation of Las Vegas.

The annual program includes a series of four forums.
