JCC home tour huge success

Over seventy-five people participated in the Jewish Community Center of Southern Nevada's Home Tour '97 last month. This event, the first for JCCSN, proved to be a great success. Participants had an opportunity to tour four wonderful and distinctively different homes in the Las Vegas valley. The hosts included Jim and Ruth Confeld in the Fountains; Steve and Marci Saxe and Russ and Linda Karlen in the Summerlin area, and Neil and Joyce Strauss in the Rancho area. The guests were treated to beautiful and original art collections, magnificent landscaping, splendid architecture, and impressive decorating. A number of homes have already been offered for the JCCSN's Home Tour '98 to be held next year. For more information on this or other JCCSN programs and activities, call the JCCSN office, 794-0090.
